COVID-

RUSH

PROBLEM

We believe that the raising Covid-19 cases is due to:

-Ignorance

-False news

-lack of knowledge

SOLUTION TO THE RAISING COVID-19 CASES

We have come up with a fun and interactive way to educate people about Covid-19.

How it is spread and

What you can do to prevent it.

WE CALL IT "COVID-RUSH"

WHAT IS COVID-RUSH?

It is an endless Runner game which is characterized as an action game.

Linear in design with no end, without pauses or breaks for rest and no stages or changing levels.

It is quite similar to "Subway surfers" but ours is very different In terms of characters, gifts and collectable items.

Difference Between Subway Surfers and Covid-Rush

<u>Subway Surfers</u> - **<u>Covid-Rush</u>**

Chaser (police) - Enemy (coronavirus)

Hover board - face mask

Mega head start - social distancing

<u>Similarities between Covid-Rush and Subway Surfers</u>

-magnet

-coins

-jet pack

Extra Covid-Rush features

-washing your hands (gives user/player extra life)

-sanitizing (gives user/player extra life)

HOW THE GAME WORKS

In the game, players take the role of young was walking who, upon being caught in the act of walking without a mask, run through the city to escape from the Coronavirus. As they run, they grab gold coins, power-ups and other items along the way while simultaneously dodging collisions with cars and other objects, and can also jump on top of the busses and wear a mask to protect him from the virus to evade the capture until the character crashes on an obstacle, getting caught by the Virus or getting hit by a bus, at which point the game will then be over.
